SIR,

Grant-in-aid to the Veda Pathasala at Viswanathapur, Koppa Taluk.

In forwarding herewith a copy of letter No.A5-955/34 dated 8th February 1935 together with the connected papers received from the Deputy Commissioner, Kadur District, recommending a monthly grant of Rs 10/- per mensem to the above Pathasala, I have the honor to state that the Pathasala is reported to have been started about 5 or 6 years back and doing good work. The Inspector of Sanskrit Schools who visited the Pathasala has also reported that the Pathasala deserves encouragement in view of its good work and of its slender resources. In view of the above and of the fact that there are no Pathasalas receiving grant-in-aid in this district, I request that sanction of Government may be accorded for a monthly grant-in-aid of Rs 10/- to the Pathasala with effect from 1st March 1935, the cost during the current year being met from the savings available out of the provision made towards grants to the Veda Pathasalas in the General Muzrai Fund budget and from the provision under the same head from next year onwards. The Pathasala is not in receipt of any separate grant from the Education Department (vide page 182 of the Budget for 1935-36).

I have the honor to be,
Sir,
Your most obedient servant,

Assistant Commissioner

Letter No.A5-955/34 dated 25-2-35 from the Deputy Commissioner, Kadur District, to the Muzrai Commissioner in Mysore.

With reference to your letter No.336/34-35 dated 20-9-34 calling for a report regarding the request of the residents of Viswanathapura Agrahar, Koppa Taluk, for a suitable grant to the Veda Pathasala at the place, I have the honor to state that it is reported that a private school is being maintained by the villagers for the past 5 or 6 years. One Narasimhabhatta, a resident of the said village is a teacher in that school and is teaching Rigveda and Amarakosha etc. The strength of the school is thirteen and the average attendance 10. The local people are taking much interest and are keen in regard to the continuance of the Pathasala. This institution is the only one of its kind in this area doing useful waork. The Sub Division Officer on the Amildar recommend that a grant of Rs 10/- per month may be given to this institution. I agree with them and recommend that a grant of Rs 10/- may be sanctioned to this institution from the interest earnings of the General Muzrai Fund.

The file of papers received with the Tarikere Sub Division Officer's No. S2.427/34 dated 7-2-1935 is herewith enclosed for reference.

U.O.No. 470/TADB.II. Dated: 25th May 1935.

1) The marginally noted U.O.Files are returned with compliments. It is stated therein that Government orders relating to payments made out of General Muzrai Fund need not be issued through the Financial Department. The detailed budget estimates of this fund are approved by the Financial Department and appended to the General Budget estimates of Government (vide Appendix O of the estimates for 1934-35). Rules regarding the constitution and working of this fund are given in chapter IV Section III of the Mysore Muzrai Manual and according to rule (d) in this Section, power to utilise the interest earnings of this fund is reserved to Government. The chief controlling Authority in all matters concerned with Muzrai institutions is vested in the Government under section 3 of the Mysore Religious and Charitable Institutions Regulation VII of 1927, and as Government are expected to scrutinise the expenditure to the same extent as in the case of General Revenues, the rules applicable to General Revenues may be held applicable to these funds also. Sanction of Government in the Finance Department was accordingly asked for under Article 273 Mysore Civil Account Code, Volume I.

2) Whether the Finance Department of Government will reserve these powers or the sanction of Government in the Administrative Department will suffice in the case of such expenditure chargeable to these funds is a matter on which such orders as may be deemed necessary may be issued.

SECOND MEMBER OF COUNCIL, 19 JULY 1935 No. 95

NOTE—Contn Sheet

20) The following are the various kinds of Inzrai Funds:—

(1). Funds of the various Inzrai institutions.

(2). Endowment Funds.

(3). Inzrai Establishment Fund,

~~(4). Funds of Inzrai Institutions~~

(4). General Inzrai Fund.

16). Funds of Inzrai Funds.

The income of many Inzrai institutions consist of inam lands endowed by private individuals and Govt. The Inzrai Dept. of Govt., which is entrusted with the administration of these revenues, (Vide para 2 of the Inzrai ~~Publication~~ Manual and the statement of objects and reasons of the Inzrai Regulation VI of 1913), merely acts a trustee in the case of institutions endowed by private individuals. The duty of Govt. in such cases is merely to carry out the purpose which the persons who endowed the temples had in view. In such cases the administrative Dept. of Govt. (i.e. the Inzrai Dept. of Govt) may be expected to do its duty as a trustee honestly. The advice the Financial experts of Govt. (i.e. Financial Secretary), does not seem to be necessary in such cases.

* The connected file Legis. 38-11 has been submitted to the Chief Secretary and is not available now

General and Revenue Secretariat | File No. of 193 .

Serial No.

The advice of the Financial Secretary may however be sought in the case of Muzrai institutions endowed by Govt. with inam lands or sirkar lands and cash grants.

2. Pudupat Funds.

These are funds the interest on which is reserved for some particular service in a temple. (Vide page 270 of the Muzrai manual). The Govt. as trustee of such funds can only utilize them for the purpose for which they were given by the persons who gave them. No advice of the Financial Secretary would seem to be necessary in the case of these funds also

3 & 4. Muzrai Establishment and General Muzrai Funds.

The former are utilized to meet the cost of Muzrai establishments maintained by Govt. (Vide para 2 page 282 of the Muzrai manual), the latter are utilized for repairs to Muzrai institutions. (Vide para 3, page 297 of the Muzrai manual). These funds, though formed by deductions out of the rent of Muzrai institutions endowed by private people in

WD 02553—50,000—GPB—8-7 50

many cases, are utilized for effecting repairs to all Muzrai institutions which is not one of the purposes for which inam lands were granted by private people who endowed temples, Govt. would therefore seem to be at liberty to spend these two funds in whatever way they like. In doing so, they are at liberty to consult the Financial Sectt. as in the case of expenditure met from the General Revenues.

21/ I remember in another file the Hd Cly had opined that in the case of Genl Muzrai Fund payments Comm's Nos 7 & 8 is not necessary. Please look up copy of that.

30/7/35

22/ Muzrai Collections 182-34-2, 60-34-7 and 175-34-2 left to abolle are dealt, as directed.

3/ The average income and expenditure of the General Muzrai Fund do not exceed Rs 45,000 per annum and most of these items are of a fixed nature. The Budget estimates of this Fund are being allotted by Govt annually in consultation with the DA Financial Dept

Orders of Govt. sanctioning any expenditure from the General Mugra Fund are not being communicated to the Comptroller through the Financial Secty.; they are being sent to the Comptroller direct. The Financial Secty. has stated on more than one occasion that such G.O's need not be communicated through the Fin. Dept. of Govt. (Vide para 6 of the notes in mugrai file No. 182 of 1934-35 and ~~para 175-34~~ para 9 of Mug. 175-34, Sl. 1). It is therefore a point for consideration whether consultation of the Fin. Secty. is necessary in the case of orders sanctioning expenditure out of (1) Funds of Mugrai institutions, (2) Endowment Funds and (3). General Mugrai Funds under the circumstances explained in paras 20 and 22 of the notes. Submitted with reference to the orders contained in para 21 of the notes.
